

Drinkstone Village Draw

The Village Draw has been running since 1998. And by the summer of 2011 we had held our 165th Draw.

Each 0.25p per week 'stake' is allocated a number and all numbers go into a regular monthly draw held at the Village Bingo sessions. Stakes can be collected monthly or annually. The Bingo sessions, are being held at Felsham Village Hall since the disastrous fire that ended the life of our own Village Hall.

So far, we have given away over £16,500 in prizes and raised a similar sum for the Village Hall. This is a valuable contribution to Village Hall funds and profits from the Draw are currently held in the New Village Hall account.

The lucky winners of each Draw are published in the Drinkstone Parish Magazine every month and I keep a complete list of winners since 1998 if anyone wishes to see it.

If you would like to join the Draw, please contact me.
