

Drinkstone Village Draw

The Village Draw has been running since 1998. And by the spring of 2016 we had held our 234th Draw.

Each 0.25p per week 'stake' is allocated a number and all numbers go into a regular monthly draw held at the Village Bingo sessions. Stakes can be collected monthly or annually. The Bingo sessions are held at the Village Hall, approximately fortnightly. Dates are published in the Parish Magazine and on the village website www.drinkstonevillage.co.uk

So far, we have given away over £23,500 in prizes and raised a similar sum for Village Hall funds, a very valuable contribution.

The lucky winners of each Draw are published in the Drinkstone Parish Magazine every month and I keep a complete list of winners since 1998 if anyone wishes to see it.
