Platinum Pudding winning Recipe

Unfortunately Fortnum and Mason aren't publishing the winning recipe until mid May, therefore it will be a lot to organise in a short time.

Volunteers

We are still looking for young families to volunteer and help with the activities for the young children.

- Fancy Dress
- Treasure Hunt
- Craft Table
- Mice race
- Mini goal scoring

Music through the past 70 Years- we are looking for a volunteer to create a play list that will be played when the band has their breaks.

There hasn't been a great response to our request for volunteers, we will plan a rota once we get a clearer idea of the number of attendees and volunteers. We will continue to request more help via Jungle Drums etc.

Survey

Nick will be designing a survey requesting that people advise us if they will be attending the event so hopefully we will get a better idea of numbers.

Tug of War

Following Robin Sharp's investigation with the Tug of War Association and Robin confirming that the VH rope fits their requirements, the event can now take place. The Insurance company have agreed verbally that this should be ok. Sue Foulsham has volunteered to organise this.

Funding Update

The Drinkstone Education Trust have agreed to fund the Insurance costs up to £190. The PCC have agreed to donate £250 towards the event. The East of England Co-op has sent vouchers for £20.
