Item	Description
C1	Supply and fix additional Signplate to rear of Gateway sign on Rattlesden Road, as below "Welcome to RATTLESDEN Please drive carefully".

**Materials (C1) £140.00**

**PLEASE NOTE**

- 1) The prices contained within this estimate are to carry out the works as detailed. Any variations to these items (or dimensions) may result in additional charges. Unless stated otherwise, the prices given are also based on works being carried out during normal working hours – Monday-Friday 8:00am-5:00pm.
- 2) No works can/will be undertaken or programmed without prior acceptance of this estimate. As well as confirming what sections of our Estimate you wish to have carried out by Wiles, we have attached a form that we would ask that you complete & return to us, thereby providing all of the required details that will ensure that we can, upon completion of work, submit our invoice.
- 3) The prices above are based upon prevailing material & fuel supplier prices during week commencing 8th August 2022, but DO INCLUDE already advised tarmac price increases due to come into effect on 1st September 2022. Fortunately fuel prices have come back somewhat from recent record levels in the last month – we buy fuel in bulk quantities (>2500 litres), and our most recent price was back down to around 175ppl (considerably lower than what is seen on the local high street pumps!)
- 4) Permission for works to be carried out on the public highway/footway must be obtained from the local highways authority. There is no allowance within the above price for any fees/bonds that may be payable.

Should you have any further queries regarding this estimate, please do not hesitate to contact us at the address or telephone number at the head of this estimate.

**Yours sincerely**

**J. Wiles**

*Standard Terms of Trade*

*Payment - strictly nett - shall become due upon receipt of invoice unless otherwise agreed.  
Interest shall accrue on overdue payments at the rate of 8% + UK Base Rate per calendar month.*
