To: the Councillors of Drinkstone Parish Council

From: Christine Emery

Re: Coronation 2023

Date: 2<sup>nd</sup> Mar, 2023

---

Plan so far

1. The event date is Monday 8<sup>th</sup> May, 2023 from 12- 5pm and will be in a similar format to the Jubilee in 2022.

2. The PCC and the Village Hall have agreed a budget of £300 each for the event. The Drinkstone Educational Charity have agreed help to fund the third party insurance ( amount to be confirmed).

3 The PCC representative for the Coronation steering committee is Jo Stark and Sue Foulesham for the Village Hall.

4. Richard has obtained agreement to use the adjacent field for the event, on the proviso we obtain 3<sup>rd</sup> party insurance. A quote for £232 has been obtained from the same Insurance company used for the jubilee.

5. Paul Selvy has very kindly agreed to provide music from a playlist.

6. Nick Hill has agreed we can use his 3 marquees. The VH has some and we will need to identify what others we can use. People will be encouraged to put up their own.

7 I have booked some outdoor games for £240 this is less than the amount spent on the jubilee.

8. Colin Field has agreed to run his beer tent.

9. Free tea/ coffee and ice cream will be provided.

10 There will be a craft table for the kids. I have spent £60.02, at the jubilee we used items left over from the youth club.

11. There will be a Tug of War.

12. So far I have only received 1 offer of help from the JD request sent out.

At the last PC meeting Richard, Janet, Peter, Paul, Michael L and Michael W said they would be available to help. I have a list of volunteers from the Jubilee and will ask them if they can help this time. 2 new couples to the village offered their help last weekend.
