Re: Xmas party 2023

Date: 17th June 2023

Plan so far

1. The event date is Saturday 16th Dec 2023. There will be a children's party during the day and adults in the evening.

2 Cllr Elnaugh and Cllr Robinson are taking the lead for the Childrens party, and I will for the adults.

3. The three of us have met once and have got an outline plan but it still needs some investigation on prices and other things before we can finalise our proposal. The PCC and the Village Hall have agreed fund the event the event and we will request a budget as soon as we can. There was an amount of £400 for community events in the PC budget for this year, £147.11 has been spent on the coronation.

4. A proposal won't be ready for the next PC meeting if it is held on the 3rd July but should be ready for the one after.
