

DRINKSTONE PARISH COUNCIL MEETING 2/10/2023

## FOOTPATH REPORT

Footpaths in the Parish have remained in good order during the late summer.

No issues have been reported.

Many thanks to all of the volunteers who have assisted in keeping the paths cut and free of nettles and brambles.

New footpath numbers have been placed on many of the signs and this is ongoing. If anyone sees post with no number on it please let me know so this task can be completed in the coming weeks.
