## Playing Field

Report to the Ordinary Meeting Dated 4<sup>th</sup> July 2016

### Agenda Item 8.c; Councillor portfolios

- a. The grass has recently been cut and the park is looking nice and tidy however the area at the bottom of the park backing onto cherry tree rise has taken off in the past few weeks and could do with a little strimming back, I will look into this ASAP.
- b. I will be starting the second swing set shortly.
- c. The play equipment annual inspection has been booked and will take place soon. As per last year I have requested to be present during the inspection.
- d. I have not received any complaints this month regarding “Dog Fouling” on the park. I have walked the park during my weekly inspection and have not come across any fouling.
- e. I have walked the playfield and performed my own weekly playground equipment inspections and found no problems.
- f. At the June meeting I received a request for some football goal nets to be used by the young footballers of Drinkstone. I have looked on various web sites and they range from £25.00 to £45.00 depending on quality per Net. However I have now been told that the old Nets have been found and are still serviceable?
