## Allotments

**Report to the Ordinary Meeting Dated 5<sup>th</sup> May 2020**

**Agenda Item; Councillor Portfolios**

During the last month I have visited both sets of allotments and can report that the general condition is good on both sites with no maintenance required.

The vacant plot on Rattlesden Road currently being used as a tree nursery for the parish has now been partially let, leaving no vacant plots with nobody on the waiting list. Plot GR 6 and GR 5a on the Gedding Road site have been let to new tenants the rest re let to existing Tenants. There has been 1 new application to be put on the waiting list for Gedding road, looking for a 125 sq metre plot.

Invoices for rents due April 20 to March 21 have been paid with the exception of one outstanding which I am chasing.

Social distancing signs were fixed to all entry gates on both sites in late March and to date I have no reports of any issues regarding compliance.

Both water meter readings have been taken and the Clerk advised.

I have filed the year-end report to the Charities Commission 16<sup>th</sup> April for the year ending April 2020.
