## Playing Field/Village Hall/Phone Box

**Report to the Ordinary Meeting Dated Monday 7<sup>th</sup>. March, 2022**

**Agenda Item; Councillor Portfolios**

During the last month I have visited the Playing field and happily have found no evidence of dog fouling and no activity by moles. All the equipment seems fine, with only the maintenance tasks to complete this year. Luckily the recent storms have only spread tree debris and not caused any damage.

The phone box is still fine, and will be once again doing its job as a seed exchange in the coming months.

There was an issue with the defibrillator earlier this week, when a lady collapsed in the village hall. The number was called to obtain the code for the box, which unfortunately was incorrect. The ambulance service for some reason did not have the code for the new box. I have contacted them to update their records so this cannot happen again. I was called, and the box was opened, but luckily, the lady did not require the Defib, and was taken to hospital by paramedics.

**Prepared by Cllr Tim Moss**
