

Drinkstone Parish Council

Playing Field/Village Hall/Phone Box

Report to the Annual General Meeting Dated Tuesday 3rd May 2022

Agenda Item; Councillor Portfolios

During the last month I have visited the Playing field and happily have found no evidence of dog fouling and no activity by moles. The play equipment is still in a serviceable condition, but will need minor repairs being re-bushing the swing chain connections, and repairing the ladder to the mound slide.

The plastic wendy house seems to have fallen apart, and I think should now be cleared away.

The goalposts can now be repainted as the weather has improved.

The Defibrillator is in a state of readiness, and The Circuit has been regularly updated in accordance.

The Phone box is now back in use as a seed exchange, with some seed potatoes and garden canes for the taking.
