

Drinkstone Parish Council Meeting 3<sup>rd</sup> May 2022

Agenda Item Portfolio Report – Footpaths

Due to the lack of rain over the past month the footpaths are dry and walkable.

Along footpath number 6 the land owner has been clearing the ditch (as requested by the PC) however this has resulted in the loss or damage to some of the trees and hedgerow.

Looking ahead – if we experience a wet May we could see considerable growth and will need to organise maintenance.

I will look to liaise with volunteers who assisted with maintenance last year and ask if they are willing to assist again this year.

Thank you to those who spread the woodchip, I will seek to build a reserve so we are able to spread more in the autumn.
