## Allotments

**Report to the Ordinary Meeting Dated Tuesday 3<sup>rd</sup> May 2022**

**Agenda Item; Councillor Portfolios**

During the last month I have visited both sets of allotments and can report that the general condition is good on both sites.

The invoices and contracts for the allotment rents have been issued and a data base created with e mail and contact details for tenants to make communication more efficient and timely. This meets with one of our strategic objectives to improve operational efficiency.

I have still to order the 100 bare root hawthorn whips approved at the last meeting.

Currently all allotment plots are filled with one person on the waiting list for Gedding Rd.

I have to complete the annual return for the Charity Commission which I will do in May once the final allotment accounts have been issued.
