

Drinkstone Parish Council

Community Engagement

Report to the Ordinary Meeting Dated Monday 20 th June 2022

Agenda Item; Councillor Portfolios

The village celebrated the Queens Platinum Jubilee on Sunday 5th June 2022.

The joint sponsorship and support from the Village Hall, the PCC, Drinkstone Education Trust and the Parish Council enabled the provision of various entertainment activities. Despite the weather not being as good as we had hoped more than 200 people joined in on the day. An event such as this is not possible without the help of volunteers and I would like to say a huge thank you for the help of so many villagers.

Proposal

- that the council accept the attached financial report for the Jubilee expenses.
