

Drinkstone Parish Council

Playing Field/Village Hall/Phone Box

Report to the Ordinary Meeting Dated Monday 1st. August 2022

Agenda Item; Councillor Portfolios During the last month I have visited the Playing field and have found some evidence of dog fouling . This is clearly unacceptable and hopefully the new signs around the village will start to take effect. The play equipment is still in a serviceable condition, with minor repairs needed. I have prepared a list of parts required with costings, these are:-

Swing bushes	£ £24 -00
Rhino Board(mound slide ramp)	£ 125 – 00
Half round rail(mound slide ramp)	£ 11 – 00
Total	£ 160 – 00 plus VAT.

Unfortunately we will have to buy a whole sheet of Rhino, smaller sheets are not available.

The Defibrillator is in a state of readiness, and The Circuit has been regularly updated in accordance.

I have been approached by a member of the public to ask if the Kiosk can be used as a magazine exchange also. There are several magazines already in the kiosk, though they never seem to be removed or changed.

2 more benches have been approved by the landowner for erection on footpath 4 that runs behind Hall Farm. I am due to have a meeting with Robert Baker to decide the suitable locations(though he is very busy with harvest at the present time. I am awaiting his instruction.

I would also offer my apologies for not being able to attend this meeting.
