## Allotments

**Report to the Ordinary Meeting Dated Monday 10th October 2022**

**Agenda Item; Councillor Portfolios**

During the last month I have visited both sets of allotments and can report that the general condition is good on both sites.

Currently all allotment plots are filled with one additional person now requiring an allotment, leaving 3 people now on the waiting list.

I still have one more piece of work to do in terms of revisiting the Allotments Management policy dated 2011, and update it to reflect my findings following my various meetings with past trustees and Parish Councillors. I will submit an updated proposal along with a Governing document for the Allotment Charity at the next meeting to be discussed and voted on.

As discussed last month I have advertised the RR road land in the Parish magazine for September. So far 3 interested parties have thrown their hats into the ring. Myself and Cllr Lambert met with Lucy Blake and her son to agree a handover and boundary. Cllr Lambert will provide a full update in his report.
