

Drinkstone Parish Council report 10th October meeting.

Footpaths

I am unaware of any problems with any footpaths, currently all are in good order.

With regard to the request for numbering of footpaths, a pack of self-adhesive numbers, black on white two inches high is available from Amazon at a cost of £6.99 or £7.99 for three inch high. I think the question is do we want footpath signs numbered?

Rattlesden Road Land

Councillor Edmondson and myself met with the outgoing tenant Lucy Blake and her son to agree the boundary and condition of the site at handover.

We noted that work is progressing admirably on clearing the land, the tenant stated that she wished to hand the land back in the condition she received it. I could see no cause for complaint or comment on the work done to date. It was agreed that the boundary between the land and Lucy Blakes own land should be the ditch, with Lucy Blake retaining the ditch.
