## Playing Field/Defibrillator/Phone Box

**Report to the Ordinary Meeting Dated Monday 5th. December,2022**

**Agenda Item; Councillor Portfolios**

During the last month I have visited the Playing field and have found some activity by moles again, though at present this isn't serious. There has been evidence of dog fouling, I'm hoping due to the dark nights with dog walkers not realising what their pet is up to. I have repaired the ramp to the mound slide, and will replace the swing bushes( I will have to modify slightly as they don't quite fit).

The Defibrillator is still in service(just), as after 6 weeks of trying to obtain new pads for it, I've been assured by Rachel Hillier that she is sending some replacements out, though these have yet to appear.

I have still to arrange a meeting with Robert Baker to determine the positions of the remaining 2 benches, though he should soon have a bit more free time.

**Prepared by Cllr Tim Moss**
