

## **Drinkstone Parish Council Meeting 6<sup>th</sup> February 2023**

### **Agenda item Councillor Portfolio Report & Planning Applications**

Update on last month - Section 73a DC/21/01254 (Erection of domestic cartlodge/garage with new resin bound gravel finish to hardstanding area). This amendment has been granted.

There are two planning applications to consider this month -

Planning application - DC/22/06196 - Abbots Lodge, The Street, Drinkstone, Bury St Edmunds Suffolk IP30 9SX

This is also a section 73a and references a slight change in location (minimal as it already reaches the boundaries) as well as changes to the fenestration. I do not see any reason to comment as MSDC will determine this.

Planning application - DC/23/00022 - Holm House, Garden House Lane, Drinkstone, Bury St Edmunds Suffolk IP30 9FJ

This application is for a boot room/office attached to the main house. Due to previous developments/extensions the property does not have permitted development rights, however once again I feel this new application will be determined by MSDC as it is within the settlement boundary and does not raise any issues regarding the DNHP.
