

From Cllr Elnaugh

As I previously mentioned I can't make the March meeting.

There is a planning application for consideration DC/23/00646 - [23 Gedding Road, Drinkstone](#), IP30 9TD

I have taken a look at the plans and essentially this is an application to demolish a single storey extension and erect a two storey extension.

I do not feel we need to comment as there are no issues relating to the DNHP and will be one for MSDC to consider.

Kindest regards

Janet
